Monsieur Correspondant's.

Greetings and best wishes for a prosperous New Year.

The holidays are over, we all enjoyed a small repose from our tasks in and for our Voiture Locales. Now it is time to get back to work. As a Correspondant Locale myself (15 years) I appreciate your efforts to keep your Locale up to date with all the information that comes to you. Let's face it, you're the guy that makes your Locale work and ensures its success. Without the flow of communication you provide, your Voyageurs would be in the dark as to the "inside" goings on in California.

All of our programs deserve attention; there is not one that is more important than another. All Grand Directeurs want nothing more than to have their particular program recognized and supported.

That's where you come in.

All I ask is you provide the information to one of your Voyageurs Locale and ask them to be the contact for the Special Awards program. All the information is in La Petite Communiqué and is easy to follow. The requirements do not change significantly from year to year, only the Directeurs, if any. All submission should, of course, go through your office for further submission to the Directeurs.

So, this month I ask that you address the Special Awards program at your Promenade Locale, briefly identify the categories, there are four: Law Officer of the Year, Hero of the Year, Voyageur of the Year and City/Town of the Year.

Although the optimum would be a submission from you for each program that may be a little much, but submitting one or two should not tax anyone too much. Pick one or two and run with them. Prepare a complete presentation in a folder or binder, use photos and news articles. More on this later. For now,

Thanks for your support in advance for the Grand du CA Special Awards Program.

Thanks for what you do for your Voiture and La Société.
